In 2014, the firm invested approximately \$250 million on the construction and the completion of a state of the art complex, which was opened in May of 2019 in Bengaluru.

It features world-class childcare, health and fitness facilities, and rooms for indoor recreation, innovation, and contemplation, as also event spaces.

«I am proud to work for a company that truly appreciates the input and ideas of each of the employees.»

— Jai Sahani, Vice President at Goldman Sachs, India

37 ST-01 Speed gates are installed both at the entrance of the building and the entrance to the floors. 16 speed gates are equipped with extra-wide swing panels for the sake of comfortable passage of people with reduced mobility.

Speed gates are supplemented with stands for 3D scanners to support biometric fingerprint access.
